

Venue Hire

As a place of welcome and community, we offer space for:

- Community Events
- Committee Meetings
- Training Sessions
- Family Celebrations
- Study Seminars
- Away Days or one-to-ones

Based in a quiet neighbourhood location in Wapping, we are well placed for groups across the East End and close to excellent transport links, between The City and Canary Wharf.

*Our training day at the
Hurtado Jesuit Centre was fantastic.
It is a great venue and was just what we
needed. We would certainly use it again.*
